? Did You Know?

Hill Air Force Base...

- ▶ is Utah's largest employer.
- ▶ is the second largest Air Force Base by population and geographic size.
- ▶ operates the 2,600 square-mile Utah Test and Training Range – the largest block of overland contiguous special use airspace in the continental United States.
- ▶ is home to three aircraft squadrons operating the state-of-art F-35 aircraft.
- ▶ has more than 50 mission partners, collectively known as “Team Hill”.
- ▶ has partnered with private developers to create the Falcon Hill Aerospace Research Park, which provides office and research space for 6,000 military personnel and contractors on 550 acres west of Hill AFB.
